READ:-

Proposals received from the E-in-C (RWS&S) Hyderabad Lr.No. AE2/DEE-I/RWS-I/critical gaps/08-09, dated 19-11-2008.

ORDER:

In the reference read above, the Engineer-in-Chief (RWS&S), Hyderabad has submitted the proposals to the Government to accord administrative sanction for critical gaps in respect of certain works in Anantapur District as given in the Annexure. The sanction will help in making the concerned water supply scheme operational which at present is non-functional due to the absence certain components due to lack of funds.

2. Government, after careful examination of the proposal of the Engineer-in-Chief (RWS&S), Hyderabad hereby accord administrative sanction for 84 works at an estimated cost of **Rs.189.65 lakhs (Rupees one hundred eighty nine lakhs and sixty five thousands only)** under ARWS 15% grant for taking up these identified critical gap works mentioned in the Annexure. However the money sanctioned now shall not be spent unless it is ensured that the relevant source has adequate water for sustainable supply and the households of the habitations will get water without any further hurdle once this money is spent for the relevant work. If due to any reason, the Superintending Engineer/Executive Engineer feels that water supply on sustained basis is not possible even after spending the present sanctioned amount for the identified work, they shall not commit this money to any expenditure and instead make a report to the Engineer-in-Chief for advice and revised consideration. Any failure to observe this principle will make the concerned Executive Engineer personally liable for strong disciplinary action.

3. The work wise details are shown in Annexure. With the execution of these works it is reported that the concerned habitation would achieve Fully Covered status and hence no further amount will be sanctioned to these habitation. The Engineer-in-Chief (RWS&S) Hyderabad is requested to take necessary action accordingly and monitor the implementation of these works. A monthly reporting systems must be put in place for monitoring the completion of these sanctioned works.

5. A copy of this order is available on the internet and can be accessed at the address <http://www.ap.gov.in/goir>.
